**Friends of Bear** started out 14 years ago by a man named Gene “Bear” York. He organized a motorcycle ride to collect toys for our local toys for tots. He continued this event until his passing in 2008. A small group of his friend decided to keep this great cause going in his honor. With the communities help we have been able to grow every year. In the past three years, we have donated over \$30,000 in toys (mostly bicycles) to our local toys for tots. Last year alone, we were able to donate over \$14,000 in toys which included 230 bicycles. 501c3: 46-1096593
